Paralympian glory in town's half marathon

CROWDS lining the route of the Basingstoke Half Marathon on Sunday may have seen Kenyan paralympian Jonah Chesum speed by once before – on TV sets at the London 2012 Paralympics.

The 25-year-old was a force to be reckoned with, leading the way for 1,400 runners to cross the line first at War Memorial Park.

Harsher rules cut list in half

THOUSANDS COULD BE PURGED OFF WAITING LIST FOR HOMES

A MOVE to make it harder to qualify for social housing would wipe more than 3,000 people off Basingstoke's housing waiting list.

By **Katriona Ormiston**
katriona@taylornewspapers.co.uk

Stricter measures to make it tougher for people to get onto the housing register are to be discussed by councillors tonight, October 9.

If approved it would purge about 3,300 applicants from the Basingstoke and Deane housing waiting list of about 7,200.

However councillor Paul Harvey blasted the plans as 'manipulating the figures'.

About 1,130 people could be eliminated from the list because the applicants do not have a good enough connection to Basingstoke and Deane.

Homeowners, people with an annual household income of over £50,000 or with savings of £16,000 would be excluded from the list.

The 22 applicants currently on the housing waiting list whose household earns more than £50,000 would also be removed.

Cabinet member for housing Terri Reid said: "We know that the borough is a very popular place to live.

"What we found from a survey is that residents wanted it for people with a link to Basingstoke rather than from somewhere else jumping the queue.

"It just makes it clearer that it is for local people, bearing in mind we are using the money from local residents for this housing."

Cllr Harvey said: "Manipulating the housing list and removing 3,000 people from the list is not going to solve the housing crisis in Basingstoke.

"It isn't going to help these people find homes, they are just going to be left in a black hole – that is our concern.

"You do not solve a problem by denying it exists."

A total of 28 have savings of more than £16,000 and would no longer qualify.

Of the 281 homeowners most would be removed – although there are exceptions made in this case for people who need to move on medical grounds.

The measures would also simplify the bands which divide people into categories of how urgent their need is.

The current five bands would be replaced with a three-band system of 'urgent' priority, 'reasonable' priority and 'reduced' priority.

A points system within the bands would also be abolished.

Under the new rules people guilty of previous bad behaviour, people who have lied about their circumstances to climb the waiting list, and people who have rejected three offers of housing within a year would move down to the 'reduced priority category'.

The changes would cost £35,000 to alter the IT system.

They could come into force in April 2015.

The meeting in the committee suite at the council's London Road base starts from 6.30pm.

‘A tragedy we would not wish on anyone’

A DAD-OF-TWO from Alton who died in hospital in Basingstoke last week has been named as 32-year-old Adam Cadman.

By **Katriona Ormiston**
katriona@taylornewspapers.co.uk

On Tuesday police charged Nicholas Paul Fields, of The Lamports in Alton, with murder and robbery.

Mr Cadman was rushed to Basingstoke and North Hampshire Hospital with severe injuries on Tuesday, September 30, but died the next day.

On Sunday police also charged Lorraine Marie Jones of Church Road West, Farnborough, and 34-year-old Chris Stephen Carrigan, of Farnborough, with robbery – who have been released on bail until December 5 in relation to suspicion of murder.

Mr Cadman’s family said: “Adam will be greatly missed by all of his family and friends.

“He was a much loved young man who was both a loving son to his family and a loving father to his two young sons.

“What has happened to Adam is a tragedy that we wouldn’t wish on anyone.

“We would like to thank everyone for their thoughts and condolences but would now appreciate the opportunity to grieve in private.”

It is thought Mr Cadman was attacked inside a flat in Lansdowne Court in Anstey Road, Alton.

Officers also believe there may have been some kind of disturbance at the flats earlier in day.

Detective Inspector Simon Baker, the senior investigating officer, said: “We are in the early stages of our investigation and are following up a number of lines of enquiry.

“We are keen to hear from anyone who was in the Anstey Road or Lansdowne Road areas of Alton on Tuesday afternoon or evening, who may have seen or heard a disturbance.”

Police are asking for anyone with information to call the Operation Nembus team at Whitchurch Police Station on 101.

Top town cops take on charity challenge

A TEAM of police officers from Basingstoke is pedaling and running from the police base in Basingstoke’s French twin town to Basingstoke Police Station to raise money for Children in Need.

The cross-channel two-day challenge will see six officers cycle and jog some 200 miles from Alençon Police Station to their London road base via a ferry to Portsmouth.

Chief Constable Andy Marsh is also expected to turn out for the effort, launching on November 13.

Organiser, Detective Constable Rod Kenny, said: “There is a history of officers completing various challenges at Basingstoke for Children in Need, so we thought we’d go big this year and push ourselves to the limit.

“This is going to be a gruelling challenge which will see us cycle 120km as a team before embarking on a relay run in pairs from Portsmouth to Basingstoke Police Station.

He added: “We’ll be running through a big chunk of Hampshire, so please come out and give us a wave.”

Thousands urge half marathon runners on

CROWDS lined the town shouting for runners to 'dig deep' in the fourth Basingstoke Half Marathon on Sunday.

By **Katriona Ormiston**
katriona@taylornewspapers.co.uk

The race of 2,443 finishers was a truly global affair, with Kenyan paralympian Jonah Chesum striding through the ribbon at one hour and six minutes.

The 25-year-old, who ran in the lower arm amputee category at the London 2012 Paralympics, was followed across the line by Kenyan team mate Gladys Kwambai 11 minutes later as the first lady.

Felicity Edwards, managing director of Destination Basingstoke – which organises the race, said: "It was another amazing day for Basingstoke, lots of happy runners, phenomenal support from sponsors, the council, residents and charities and of course our wonderful marshals that not only make it safe, but help create a party atmosphere out on the beautiful course."

The 13-miler – which is the biggest sporting event in Basingstoke – raised thousands of pounds for charities.

More than 100 volunteers helped marshal, register runners, and organise bag drops.

And it was not just in Basingstoke itself where supporters lined the streets to cheer on the runners.

Residents of Cliddesden, Ellisfield and Farleigh Wallop turned out to lend their voice along the quieter routes.

Author of 'Can't Swim, Can't Ride, Can't Run: My Triathlon Journey from Common Man to iron Man', Andy Holgate, decided to run last minute.

He said: "It's pretty hilly but the atmosphere is great fun.

"The support out in the villages was awesome - the locals did the area proud."

Next year's half marathon is Sunday, October 4.

Murder investigation into teen death dropped

TWO teenagers arrested on suspicion of murdering 18-year-old Jay Benton in Basingstoke will face no criminal charges.

• Jay Benton, 18, died on July 2 at Basingstoke's hospital

Police say there were no crimes committed which led to Mr Benton's death.

The teenager, from Berkeley Drive in Brighton Hill, was found by paramedics in cardiac arrest at 2.30pm on July 2 at a house in Frescade Cresent, Kings Furlong, and rushed to hospital.

Police launched a murder investigation and arrested a 14-year-old girl and 16-year-old boy.

But Hampshire Constabulary spokesperson Vicky O'Hare confirmed on Tuesday their bail has been dropped and no further action will be taken.

She said: "Officers who were investigating the death of 18-year-old Jay Anthony Benton from Basingstoke have concluded that there were no criminal offences which led to his death.

"A 14-year-old girl and a 16-year-old boy who were questioned by officers as part of their investigation have been informed that their bail has now been cancelled and that no further action will be taken."

He was pronounced dead at Basingstoke and North Hampshire Hospital in Aldermaston Road.

An inquest into Mr Benton's death has been earmarked for Wednesday, October 22, at Basingstoke Magistrates' Court.

End of the X Factor road for boy band

Beer fest is a record-breaker

IT was beer all round for a record-breaking crowd of nearly 10,000 who flocked to the sixth Hampshire's OctoberFest at its new Basingstoke venue last weekend.

More than 200 kinds of beer and 40 live music acts were on hand at Basingstoke Cricket and Sports Ground in Fairfields Road.

In the Upham Brewery tent alone over 1,800 pints were served, alongside a bucking bronco challenge for the brave.

Basingstoke local John Simpson proved his mettle after surviving the longest 59 seconds on the mechanised machine.

And for children an inflatable slide, snowboard simulator, go-kart track and pop-up farm was enough to keep their attention.

Faye Pain, marketing manager for sponsors Upham Brewery, said: "OctoberFest has become a major date in the Hampshire social diary.

"I would say it is fast becoming one of the south of England's best beer and family entertainment festivals."

JUDGEMENT day for Basingstoke's X Factor boys ended in disappointment but far from ended the band's musical dream.

More than 8.81million viewers tuned in last weekend to watch Concept battle five other groups for a chance to perform in the X Factor live finals on Saturday.

But the band did not make the cut when judge Louis Walsh picked his final three groups at the judges' houses stage in Bermuda.

Instead Scott Dicks, Matt Goodenough, Ben Selley, Karim Newton and Nathan Gittens, who are all 20, are hitting recording studios in London next week.

Scott said: "It is really exciting times.

"Our ultimate dream is going around the world performing for sell-out arenas and stadiums, and we are so close now to breaking through.

"We just need to get the right song."

The boys, who all went to Basingstoke's Queen Mary's College, were flown out to Bermuda for filming at the end of August.

But they were barred from revealing what happened in the show until it was aired.

• Concept singing in Bermuda for Louis and Tulisa (left to right) Karim, Matt, Nathan, Scott and Ben

Both Louis and guest judge Tulisa seemed won over by the boy's performance of Mirrors by Justin Timberlake.

Louis said: "We love the fact that you have all been friends for years and we really love your hard work ethic.

"At bootcamp you really came into your own. But this time we didn't see that spark, there was something missing."

Scott, Matt, Ben and Karim, from Tadley, and Nathan, from Buckskin, formed Concept in 2010.

Scott added: "It was a really tough but good experience. In every round you just don't know what to expect – you see it on telly every year but when you are actually there it is daunting.

"We wanted to use X Factor as a stepping stone – it is not the start of something, and nor is it the end."

Quad bike stolen

HOOK: A red quad bike was stolen from a garage in Elvetham last weekend and found by police hours later.

The bike was burgled near the A30 and A323 between 1.15pm on Saturday, October 5, and 6.45am the next day.

Officers found it off Minley Road near the A30.

Foster care run

HAMPSHIRE: One hundred councillors and foster carers from across Hampshire are stepping out for the Great North Run this month.

The Hampshire County Council staff and carers have teamed up for the 10-miler on Sunday, October 26, to raise awareness of the council's foster care department Hampshire Fostercare.

Stadium deadline

BASINGSTOKE: A public consultation on plans to build a new £10million Basingstoke Town football stadium in Eastrop ends tomorrow, October 10.

It launched on August 27 for residents to give their views on the plans for the eight acre piece of council-owned land in Old Common Road.

They came under fire from councillors at an August meeting because of the potential loss of open space at the site next to War Memorial Park and the Costello School playing fields.

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

Gypsy camp decision is delayed

A TARGET decision date for controversial plans for a gypsy campsite in Dixon Road has been pushed back to November.

The application, submitted in August, is for three touring caravans, three mobile homes, and three wooden buildings with kitchens and bathrooms - on the site where 500 trees were illegally axed in June.

A target decision date for Basingstoke and Deane Borough Council officers to rule on the plans had been set for today, October 9.

However investigations of the area are taking longer because the land may have buried weaponry nearby from neighbouring Bramley MOD camp.

Councillor Martin Biermann, of Chineham, said: "I am glad it is now going through the formal process so it can be assessed.

"This is better than the illegal camping that so often happens.

"I am terribly saddened by the loss of trees. It will take many years to restock."

He added: "When the MOD camp was used in the First World War, chemical weapons were dumped."

"The A33 has been closed before because badly rusted mustard gas canisters were found.

"This needs to be investigated."

A development control committee could discuss it on November 19 at the earliest.

Action plan for Buckskin floods

By **Katriona Ormiston**
katriona@taylornewspapers.co.uk

STEPS to protect and prepare Buckskin for the possibility of more flooding were agreed at the first flood meeting last week.

Measures including moving the electricity sub station, setting up a Buckskin action group and clearing drains and ditches were decided at a flooding steering group summit last week.

Moving the sub station will mean electricity in Buckskin will not be under threat of cutting off if the area floods – which was a serious concern in February.

More than 80 homes were evacuated and 45 homes flooded inside in February when rainwater caused an underground watercourse to rise.

The steering group of Hampshire County Council, Basingstoke and Deane Borough Council, the Environment Agency, Thames Water - responsible for sewers, South East Water - responsible for drinking water, and Sovereign Housing met to brainstorm ways to try and stop flooding hitting the area again.

Hampshire county councillor for Basingstoke, Stephen Reid, chaired the group.

He said: "Unfortunately, none of us can promise there won't be any flooding in the future, but what we can do is reassure residents that infrastructure and monitoring is working as well as possible."

Over the last month Thames Water have been checking gullies, culverts and pipes with CCTV to clear blockages or breakages, and council officers have been clearing ditches.

Work on that stage of the preparation is due to be finished by the end of this month.

Cllr Reid added: "It has to be done by then really because this week we have already seen the change from Summer to Autumn and we have got to make sure everything is working.

"I'm also delighted Southern Electric are moving the sub station – it took the army and navy a lot of work to build a sandbag wall and make sure the water didn't reach it.

"The power would have gone out in Buckskin, it's a regional sub station and a lot of people were really worried."

A date has not yet been set for when the sub station will be moved away from next to Basing Golf Centre off Worting Road Roundabout.

Next month a community action group is to be set up by Hampshire County Council and Buckskin residents.

Cllr Reid said: "We want to set up a system of communication because one of the things that happened last time is the rumour mill started, and that is often wrong when people are already vulnerable."

Details of the project will be addressed at the next steering group meeting earmarked for early November.

Section of Festival Place car parking to be bulldozed

PART of Festival Place car park is to be demolished and rebuilt.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

A section of multi-storey car park - the 1960s structure over Churchill Way - needs maintenance and repair.

Plans have been confirmed for demolition to start in early 2015.

Parking prices at the rest of Festival Place car park will be lowered while work is underway to the same fees as The Malls car park.

A temporary bridge will also connect the two car parks.

John Izett, cabinet member for property, finance and commissioning, said: "It is important this work takes place and with minimal disruption to residents and visitors to the town.

"Using The Malls car park to enable the majority of Festival Place's car park spaces to remain open is the only practical solution and one that we are happy to support to minimise the impact on shoppers and traders alike.

"We are pleased Festival Place has agreed to unify the hourly parking prices to reflect The Mall's lower tariff across both car parks during this period."

At a cabinet meeting on September 30, it was agreed the bridge would be built so shoppers can still make trips to the site.

Festival Place's centre director, Steven Connolly, said: "We're thrilled to be able to upgrade the older section of our car park."

He added: "We are delighted with the support from the council, and will now be starting the discussions on how we can deliver this project as seamlessly as possible for our customers.

Buro Four Project Services Ltd will oversee the new multi-storey car park rebuilding.

Hourly rates for parking will be the same across both The Malls car park and Festival Place's during the works.

The link bridge will allow cars that use Alencon Link to access and leave the site via The Malls car park.

Building work is due to be finished by late 2015.

Taxi drivers targeted in knife attacks

TAXI drivers in Basingstoke have been threatened at knifepoint and pulled out of their cars in a string of three attacks.

Two teenage girls are among a group arrested after one taxi robbery and two attempted robberies on September 26 and 27.

The taxis were pre-booked each time.

A man threatened the driver with a knife outside Westside Community Centre in South Ham at 11.40pm on September 26.

He fled the scene when the victim handed over cash.

The next day another taxi driver was threatened at knifepoint when he pulled up outside Richard Aldworth School in Western Way at 10.10pm.

He managed to drive off unhurt.

Just half an hour later a man tried to pull a taxi driver out his car after he arrived in Cleaver Road at 10.40pm.

The pair wrestled but the driver escaped unharmed.

Luke Malchay, 22, of no fixed abode, was charged with a single count of robbery.

He appeared at Basingstoke Magistrates Court on September 30.

A 16-year-old girl, 26-year-old woman and 27-year-old man, all from Basingstoke, have been arrested in connection and released on bail.

Two other Basingstoke residents – a 17-year-old girl and 25-year-old man – were arrested and are in custody.

Merger with world's first hospice on cards

HAMPSHIRE-BASED hospice Naomi House could be set to team up with the world's first children's hospice in Oxford Helen & Douglas House, CEO Chris Robinson has revealed.

Mr Robinson was appointed the new CEO of the Oxford hospice last week, and will carry on in his role at Naomi House near Winchester in anticipation of greater collaboration between the two sites.

By **Adam Flinn**
adam@taylornewspapers.co.uk

He will be chief executive at Helen & Douglas House for an interim one-year period while a merger between the two hospices is considered.

It is hoped that a collaboration between the two hospices would lead to improved and more sustainable care for children and families.

· Chris Robinson

"I think any change would have to justify itself in terms of improved care for children and families," said Mr Robinson, who has been Naomi House's chief executive for two years.

"It seems to me the criteria is can we provide better care and can we provide more sustainable care?

"If there isn't any way to secure those benefits from any of the things that come up for consideration, we won't do it.

The idea of a merger has been discussed for two years.

Mr Robinson added no timescale has been set for any collaboration, but some changes such as joint training could be made straight away while more substantial decisions may need longer discussion.

He continued: "These are two strong charities in a healthy trading position, so there's no problem that needs to be fixed in that sense.

"It's an opportunity to identify if we could do even better by collaborating together in some way, so we'll see what comes out of it."

The hospice's deputy chief executive Mark Smith will take over day-to-day running of Naomi House in the interim period.

Localism - What does it mean?

OUR government has banded the word 'localism' around on many occasions.

A reasonable person familiar with the English language might believe this means improved opportunities for residents and community groups to engage in the decision-making affecting their daily lives.

And yes, such expectations have been regularly encouraged by central government.

Unfortunately the government has failed to brief itself on the meaning of the word and intent of the strategy.

The arch know-it-all offender who keeps on about people wishing to make decisions locally but then persists in telling people what these local decisions should be and what is good for them must surely be Eric Pickles MP.

As recently as this year's Conservative party conference, our beloved Secretary of State pronounced: "In contrast to Labour's top down control, my purpose in government has been bring power to the people."

The Minister has strong views on parking, floods, waste management and just about everything else. My concern is not that I disagree with him on most of these, but that he persists in haranguing local authorities whilst making claims about devolution.

In the same speech, Mr Pickles stated: "Devolution is not about new names for old quangos but real power to real communities."

I would greatly welcome devolution in England but if managed by Mr Pickles, I would expect no improvements.

If anybody has doubts about the dead hand of central government interference, they need only look at the disgraceful outcome of the recent Planning Inquiry into the Razor's Farm housing development.

Mourners 'nightmare' trip to visit graves

MOURNERS face a 'nightmare' trip to visit the graves of loved ones if a planned £3.5million cemetery is built outside Basingstoke, a councillor has warned.

By **Katriona Ormiston**
katriona@taylornewspapers.co.uk

Labour's parliamentary candidate for Basingstoke, Paul Harvey, hopped on a bus to travel the route people would need to take to visit relative's grave in a bid to prove the site is too far away.

He is calling for the new cemetery site to be built closer to the town after Basingstoke council's cabinet agreed to press ahead with plans last week.

Cllr Harvey (pictured below during the journey) said: "It is sheer madness to put a cemetery somewhere where people can't visit.

"It took 30 minutes on the bus which drops you off by the village pond, and from there you have to walk along hilly country lanes with no pavements.

"If you are talking about an older person or someone with mobility issues, there isn't any way for them to get there – it will be a nightmare."

It is earmarked for 15.9 acres of land by North Waltham Crematorium to provide burial space for 90 years.

But North Waltham has only two number 55 buses a day from Basingstoke.

However other councillors have said there is not enough time to start from scratch – as Basingstoke's Worting Road cemetery only has five years worth of space left.

Cllr Harvey suggested land south of Manydown could be a possibility - and the children's cemetery by Basingstoke and North Hampshire Hospital could be expanded in the meantime.

Military volunteer medics get life-saving kit

A MILITARY team from RAF Odiham who volunteer as ambulance helpers have bought a new car to get them to medical emergencies.

The BMW 4x4 bought last month will be equipped with life-saving gear after a £3,000 donation from defence company BAE Systems.

It is the RAF Odiham Community First Responder team's second car, and it means they are able to double their 25-strong team of volunteers.

Flt Lt Andrew Davidson, RAF Odiham Team Leader, said: "This will allow us to equip the new additional Rapid Response Vehicle and continue the support we provide to the South Central Ambulance Service and our local communities.

"As a volunteer organisation, we are always looking for donations to continue to train and kit our ever changing team."

The team, which includes gunners, aircrew, and engineers has been running for 10 years.

They volunteer for South Central Ambulance Service on standby as first-on-the-scene trained medics – and are trained by the service.

In the last seven months, RAF Odiham's volunteer team of community responders have given over 4,000 hours of cover, responded to 2,722 calls and attended more than 1,700 medical emergencies.

Back by popular demand

BARNSLEY born folk singer Kate Rusby is bringing her relaxing mellow tones to the Anvil on Thursday, October 16, as part of her UK tour.

The mum-of-two, who was nominated for a Mercury Prize for her 1999 album, 'Sleepless' said she is looking forward to being back.

"I have played at the Anvil a few times now over the years, and every time I've gone there, I've had such a fantastic time," the 40-year-old told the Observer.

"The audiences we've had have always been really responsive and seem to go away having enjoyed what we've done, so that's always a good thing! I can't wait to go back and perform there".

Since her breakthrough in the mid to late 1990s, Rusby has released 13 albums including two Christmas albums and her latest compilation, 'Ghost' - released this year.

"We will be playing some songs from that, along with a few golden oldies of course," she added.

"It's a very exciting moment when you get to play new songs live, after being in a recording studio, creating and moulding the records.

"It's a very nice feeling to play them to audiences, and see how they respond to the new songs."

In 2007, the BBC described the then 33-year-old as, 'The First Lady of Young Folkies'.

The acoustic star also won, 'The Best Album of the Year Award' twice at the BBC Radio 2 Folk Awards in 2000 ('Sleepless') and in 2006 ('The Girl Who Couldn't Fly').

"People have said all sorts over the years and it's all very flattering, but I don't view myself as above anyone else," she said.

"I know so many other musicians and singers, both young and old, who I hold in very high regard. We are all part of this lovely scene and all play a part in passing it on to other generations, so we will trundle along very happily after our time."

The concert starts at 7.30pm with tickets costing £16 to £23.

Rusby added: "After that I'm going to have a little sit down with a big glass of red wine. That's the plan!"

Her tour started on October 3 in Newtown, and finishes on December 21 in Nottingham.

Throwback to the '60s

BASINGSTOKE goes back to the '60s next Wednesday, with an evening of music from iconic artists and bands coming to The Anvil.

The Pacemakers, The Searchers, The Tremeloes and The Fortunes will all be on stage for Sixties Gold, which sees them playing a selection of their most renowned hits.

And joining the groups is PJ Proby, the American singer-songwriter who has released 18 albums since his 1964 debut.

"I'll be doing my hit records, but I can't do too many of my own songs because they take too long!" said PJ.

"I'd love to do all of them but my hit records were all slow records, so it takes up too much time.

"I'll definitely do 'Hold Me', and I'll try and get 'Somewhere' and 'Maria' in but those two songs could run up to 20 minutes themselves."

PJ started performing in America in 1957, before coming to the UK in 1964 and finding success for several years.

By **Adam Flinn**
adam@taylornewspapers.co.uk

He has continued to write and perform ever since, and the 75-year-old returns to Basingstoke with Sixties Gold for his latest tour.

"I've been doing them for some time now," PJ added.

"They've all been fantastic. Last year was especially great because we were all blessed with the return of Chip Hawkes (of The Tremeloes), who we almost lost through infection the year before.

"It was extra special last year because of Chip joining us again, and he's gone from strength to strength.

"He'll be doing the same thing again this year but probably 100 times better!"

The October 15 show starts at 7.30pm, and tickets cost £30.50.

For more information, go to anvilarts.org.uk or call 01256 844244.

Install a water softener and banish limescale!

Hard water is something we are all used to in the South, althoughmost of us have got used to putting up with it, many do not realisethat you can do something about it. It furs up our heating systems,causing breakdowns, makes it more expensive to heat our homes and damages our appliances.

The other problem with limescale is the constant cleaning ofshowerheads, shower screens, stainless steel sinks, the wholehouse can suffer where water is concerned. Limescale aggravates skin problems such as eczema and psoriasis.

With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale-related products, cut washing powder use by up to 75%
and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt.

The TwinTec S3 is different. It is small, requires no electricity and uses block salt (like two house bricks) instead of heavy bags.

Harvey Softeners has been manufacturing softeners in this area for more than 30 years.

Kevin Goody (UK Water Softeners) is one of Harveys top TwinTec dealers and was voted number two in the country last year.

Why is Kevin so successful?

He puts it down to extensive marketing, having a great plumber with over 30 years of experience installing water softeners, good customer satisfaction and recommendations.

Kevin has installed 4100 water softeners in homes in this area over the last eighteen years and arranges everything from initial survey to installation.

Get in touch

If you have an old water softener trade it in for something smaller and more efficient by calling Kevin Goody on: 01276 27924 without obligation. Email: kevingoody@uk-water-softeners.co.uk

Top dealer award

Kevin Goody (UK Water Softeners) was voted the number 2 TwinTec dealer in the country at an awards event in Cyprus this month.

This is the fourth year in a row that he has achieved this accolade and over the last 19 years he has never dropped out of the the top three dealers.

Kevin has more than 4,500 water softener customers locally spanning over the last 19 years,

Kevin is seen obtaining his award from Harvey Bowden owner of Harvey Softeners Ltd and TwinTec dealer/manager Sarah Goody (Kevin's daughter).

Kevin's son Andrew is also a TwinTec service engineer.

New customers come from recommendations from existing customers, newspaper adverts, the internet and leaflets. He has 14 Google reviews and 46 independent testimonials on his website.

Kevin also employs James who delivers 20 tons of block salt per month to his customers. He also employs a plumber Rob who installed more than 6,500 water softeners over the last 25 years and used to work for the manufacturers.

If you would like to have soft water in your home either look at the website www.uk-water-softeners.co.uk or ring Kevin Goody direct on 01276 27924

WIN a spook-tacular day out at the LEGOLAND® Windsor Resort!

WIN one of two family days out to the LEGOLAND® Windsor Resort on 18 or 19 October and enjoy spook-tacular fun with all the family!

'Brick or Treat' is back with a bang at the LEGOLAND® Windsor Resort this October with more LEGO-tastic Halloween fun than ever – from the Forest of 5,000 Pumpkins to Frankie's Monster Ball and a special visit from the wicked Lord Vampyre. PLUS an extended run for the spectacular end of season fireworks with an all new LEGO® Legends of Chima™ Fire and Ice display.

Enter the Forest of 5,000 Pumpkins, an eerie, misty woodland with spooky lighting and creepy soundtrack. Brick or treaters should keep their eyes peeled for the LEGO spiders who live here and they can build their very own Halloween LEGO pumpkins deep in the heart of the Forest. Then it's time to join bolt-necked Frankie, the friendliest monster in the world, as he leads the dancing at Frankie's Monster Ball. Orange Brick and the wicked Lord Vampyre are also paying a special Halloween visit to help judge the daily fancy dress competition. And for littler ones there's a special Spooky Puppet show over at the DUPLO® theatre where the puppets will don their very own Halloween costumes.

PLUS don't miss the much-anticipated end of season fireworks this year extended to six nights. Themed around LEGO® Legends of Chima™, the skies will light up with a stunning fire and ice inspired display on 18/19, 25/26 October and 31 October/1 November.

Over at the LEGOLAND Windsor Resort Hotel there's a special Halloween "check under the bed" service to ensure young guests sleep tight. Bed time thoughts of bogey-men, beasties and things that go bump in the night will be banished as a crack team of highly trained Under The Bed Checkers will be on hand in the Hotel at bedtime.

With over 55 interactive rides, live shows - including the LEGO Legends of Chima™ 4D movie experience, NEW Pirate Shores, the famous LEGOLAND Driving School and the world's first underwater LEGO Submarine Aquarium experience, Atlantis Submarine Voyage - there's more Halloween fun than ever.

Closing date:
Wednesday, October 15, 2014

To be in with a chance of winning a family ticket to the LEGOLAND Windsor Resort just answer this simple question:

Q: How many Pumpkins are there in the Forest? 1,000, 3,000 or 5,000?

Toyota unveils style options with new second generation of its popular run-around

Street artists unleashed on Aygo

REVIEW: Toyota Aygo

By **James Richings**

WHEN you buy a new car, as an owner you want the car to stay immaculate.

You want to try and avoid any puddles, put a cover over the car when it's raining and wear clean shoes to make sure no stains appear on the carpet.

You want your new car to be spotless.

However as Toyota announced that the second generation Aygo will be released this year, the Japanese car manufacturer has decided to be different.

At this year's Paris Motor Show, from October 4 to October 19, a trio of top street artists are using the second generation, as the canvas to create unique artwork at the French based exhibition.

Starting each day with a plain white Aygo, three French street artists, Monsta, Stom500 and Ekiem, will get to work covering the car's bodywork, windows and even wheels - with help from ideas pitched from visitors.

The creative buzz is rooted in the Aygo's customisation options and its "go fun yourself" character.

Toyota are claiming customers don't need to be artistically gifted to give their Aygo a distinctive look - because they provide a wealth of colour and finish options for bodywork styling.

To cater to that "want-it-now" feeling people have about their new cars, Toyota has set up a special centre in the UK to add the customisation features, minimising the wait time.

The new Aygo is one of Toyota's featured models at the Paris Motor Show, alongside the hydrogen-powered Fuel Cell Sedan and, making its world debut, the C-HR crossover concept.

There will be five different editions of it.

They are the Aygo x base model the Aygo x-play with Bluetooth connectivity and steering wheel controls, the Aygo x-pression with silver alloys, leather seats, multimedia system, DAB Radio, and rear view reversing camera, the Aygo x-cite special edition with 15" gloss black alloys, and the Aygo x-clusive special edition with optional 'x-nav' and Smart Entry and Start.

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's and entire engine overhaul or just tweaking the brakes. we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a rang of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it! He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!
Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.
I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!
These guys definitely know what they're talking about and I would recommend them to anyone!
Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Bison record first loss but stay top of the EPL table

BASINGSTOKE Bison remain top of the English Ice Hockey Premier League table despite suffering their first defeat of the season on Saturday.

By **Adam Flinn**
adam@taylornewspapers.co.uk

They lost 2-1 to Guildford Flames on penalty shots, before rallying the next day to beat Invicta Dynamos in the league cup 7-2.

Flames took an early lead at the Basingstoke Arena, with Matt Towe scoring inside the opening two minutes.

It would take until the third period for the Herd to equalise as Joe Greener found the net, assisted by Tomas Karpov and the returning Michael Wales.

The score remained 1-1 after an hour of play, with an extra five minutes unable to separate the two sides.

And Flames' Branislav Kvetan netted his sudden death penalty shot to give the visitors the two points and Bison one.

Bison and four other sides are now tied on nine points, but the Herd keep hold of the top position by virtue of having played less games than their rivals.

In the cup on Sunday, Bison twice had to come from behind in their fixture against the Dynamos to win 7-2.

Alex Sampford scored on his debut for Bison in the first period, sandwiched between strikes by Dynamos' Callum Fowler and Juraj Huska.

But Bison fought back in the second period, with Joe Rand and Nicky Chinn scoring before Grant Rounding got his first goal for the club to put them two ahead.

Rounding added another in the third while Rand scored twice more to complete his hat-trick.

Bison sit fourth in the EPL Cup South standings with five points, three behind leaders Flames.

The Herd are back in action next weekend, as they face Sheffield Steeldogs at home on Saturday before making the trip to Bracknell Bees on Sunday.

Collard returns to action after Silverstone smash

ROB Collard will be hoping for a less dramatic weekend as the British Touring Car Championship season comes to an end at Brands Hatch.

The Hook-based driver had to be taken to hospital after the second race at Silverstone last time out, as his car was somersaulted into the air after being tagged by another competitor.

Despite missing the final race at Silverstone, Rob is fit to compete this weekend, and it is expected that his car will be repaired for the championship finale.

Collard sits sixth in the standings with 251 points after a competitive season, and could potentially move up to fourth if results go his way.

But recent races have been difficult for Collard's team-mate Nick Foster, who has only collected three points from the last two rounds.

Foster is 16th in the championship standings with 79 points, and will need an upturn in form to lift himself higher up the table.

Collard and Foster's eBay Motors team is likely to be crowned the champions of the teams standings, while team-mate Colin Turkington has a 50-point advantage in the drivers' classification.

The three races will start at 11.32am, 2.22pm and 5.09pm.

'Stoke win again

BASINGSTOKE RFC made it three wins in a row as they thrashed Hampshire rivals Gosport and Fareham 60-15 on Saturday.

'Stoke ran in nine tries during the course of the match at Down Grange, with Tim Richards, Jon Bird, Chris Guyatt, Gavin Hart, Jobi Kochanowski, Ryan Davis, Dave Greenaway and Matt Guilfoyle (2) all going over.

They move up to second in the London 1 South standings with 21 points as a result, two behind leaders Sidcup.

They are back in action on Saturday as they make the trip to Brighton.

Ladies' victory

BASINGSTOKE Town Ladies picked up their second win of the season on Sunday as they triumphed 2-0 over Fleetlands.

Goals from Lindsey Beverley and Samantha Mosley gave Town the victory, putting them sixth in the Southern Region Premier League with six points.

Town return to league action this Sunday, as they host the so far unbeaten Woodley United.

Hockey defeat

IT WAS a difficult start to the season for Basingstoke Hockey Club as they lost 5-1 to local rivals Winchester 1 on Saturday.

Basingstoke were already four goals down when Greg Smith managed to get them on the scoresheet, before conceding again towards the end.

They will hope for better luck when they host Wanderers 1 this weekend.

Brilliant Buffalo

BASINGSTOKE Buffalo overturned a two goal deficit to beat Wightlink Tigers 10-2 in the Southern Division Two of the English National Ice Hockey League on Sunday.

Buffalo fell behind in the opening 10 minutes, but were able to bounce back to take an emphatic victory.

They next play Swindon Wildcats 2 at the Basingstoke Arena on Sunday.

Wintney, Whitchurch and Calleva knocked out of FA Vase

THERE was disappointment for North Hampshire's football teams in the FA Vase at the weekend, as Hartley Wintney, Whitchurch United and Tadley Calleva all crashed out of the annual competition.

Wintney had been level 1-1 away to Highworth Town after 90 minutes, but an extra time goal for the hosts ensured their passage to the first round.

It was a similar story for Whitchurch, who were also knocked out by an extra time goal as they were beaten 3-2 by Chippenham Park.

The defeat was the first for the Jam Boys in all competitions since August, with the team having won their previous eight matches.

The result was more straightforward for Calleva, who lost 1-0 away to Hook Norton.

All three teams return to league action this week, as Wintney travel to Horley Town, Whitchurch host Newport (Isle of Wight) and Calleva visit East Cowes Victoria.

Wintney are currently 10th in the Combined Counties Premier, Whitchurch fourth in the Wessex Premier and Calleva fifth in the Wessex Division One.

Basingstoke beat Concord Rangers in eventful match

BIRD SEALS DRAMATIC LATE WIN FOR TOWN

TOM Bird scored an impressive late winner as Basingstoke Town beat Concord Rangers 3-2 in an eventful Vanarama Conference South fixture last Saturday.

By Jack Johnson
jack@taylornewspapers.co.uk

Town trailed twice and were forced to put top scorer Chris Flood in goal before Manny Williams was sent off late on.

However, Basingstoke, who were third in the table as the Observer went to print, returned from Essex victorious, thanks to Bird's late strike.

Town are currently on a three-match winning run in all competitions and faced eighth-placed Whitehawk as the Observer went to print.

Manager Jason Bristow named an unchanged side to the one that beat Bridgwater Town in the second qualifying round of the FA Cup a week before.

However, it was the hosts that started the brighter and Steve Cawley opened the scoring on 15 minutes.

But Liam Enver-Marum soon brought the sides level as he powered a shot into the roof of the net.

At the break, Bristow decided to replace goalkeeper Stuart Moore who had been suffering with stomach cramps throughout the first half.

Jamie Brown came on in his place to anchor the midfield, while Flood went between the sticks.

And it wasn't long before Concord regained the lead as Cawley grabbed his second of the game on 53 minutes.

However, Basingstoke were far from beaten and with the hosts inviting pressure, Enver-Marum headed home to make it 2-2 with 20 minutes remaining.

A point away from home should never be sniffed at but Town were dealt another blow in the closing stages as Williams was red carded for an alleged spit at Danny Glozier.

But such is Basingstoke's character that even without their goalkeeper and a man down, they found a way to win.

Bird picked up the ball on the left before cutting inside and smashing a shot beyond Ben John and into the corner.

Town are next in action on Saturday against Ebbsfleet United in the third qualifying round of the FA Cup.
